

COLUMN JUNIOR WITH ADAPTER

3492/3493/3494

IR-sensor
Capacity 5 L
Power-operated
2-year warranty

COLUMN Junior is specially designed for young children. The height of only 649 mm makes it ideal for preschool and kindergarten although it can be used alongside the larger column in all businesses where kids are a part of the target group. The demand for hand sanitiser will be here for the long term and this elegant column embodies aesthetic design and high performance.
