

# STAINLESS DESIGN PAPER TOWEL DISPENSER

## 286

Sturdy design  
Large capacity  
2-year warranty

Sturdy paper towel dispenser with a capacity of 400 paper towels. Smart feature provides a slight shearing of towels to facilitate individual pull-out. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

**Application**  
Suitable for all toilet rooms. The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where lowmaintenance is called for, and equipment must be able to withstand rough treatment.

**References**  
Offices and administration, shopping malls, restaurants, hotels, airports, train stations, sports facilities and public swimming pools, schools, public institutions and cultural centres.

**Couleur standard**  
Brushed, stainless steel. Also available in all RAL colours.

**Installation**  
Wall-mounting.

**Details**  
The dispenser ensures easy dispensing of napkins, allowing them to be taken out one at a time. The dispenser is made of an extremely durable material with a simple opening mechanism that ensures quick and easy replacement of the toilet roll. The dispenser can only be opened with a special key that fits all products in the Stainless Design series.
