

ELEGANCE DISPENSER

717/718/719/720

Touch-free

For liquid soap or disinfectant

2-year warranty

ELEGANCE dispensers for disinfectant and fluid soap are made of shock-proof plastic and boast a classic, easy-to-clean design. A viewing slit on the front makes it easy to check when the dispenser needs re-filling.

Standard colours

Prod. No.: 717/718, white.

Prod. No.: 719/720, black.

Activation

The ELEGANCE dispensers are touch-free for maximum hygiene. The dispensers are battery-operated and run on 4 pcs. AA-LR6 1.5 V batteries. When the front of the housing is closed, the dispenser is automatically operable.

When the housing is opened, the dosage mechanism is deactivated to prevent soap/disinfectant from dripping onto the floor. For dosage, simply hold hands underneath the dispenser. The dispenser will dose when hands are held between 1-8 cm / 0.39"-3.14" underneath the nozzle. One dosage is 0,4 ml.

Installation

Wall-mounting. Approx. 30 cm / 11.81" above sink or tabletop.

Approval
